

Skip-A-Pay Letter for Consumer Loans

Take a Holiday from your loan payments. As a valued Reliance Federal Credit Union member, you may be eligible to skip-a-payment on your credit union loan this Holiday Season. Simply choose which month you'd like to skip your payment(s) – November, December or January – and we'll take care of the rest!

To take advantage of this opportunity, you only need to respond by mailing or Faxing (610-783-6921) the voucher below. You can skip payments on one or all of the loans listed. We'll deduct the \$35 processing fee *per loan* from your Savings or Checking, so there is no need to include the payment with the voucher. If you make your loan payments automatically through Payroll Deduction, we'll deposit your loan payment(s) for the month into your Savings.

Important: The maturity date of your loan will be extended one month and interest will continue to accrue on your loan during the month you skip your payment. The voucher must be received at least five days before the payment is due, and the fee must be in your account at the time voucher is received or skip-a-pay will not occur. **If your loan is secured by an auto, the value will be reviewed and the skip may be denied. If the skip is denied you will receive a call from our loan department.**
