Testimonial

At the end of a year full of surprises I was shocked yet again when a great deal fell in my lap. Here was a used car that fulfilled all my needs and wants. The only problem was funding. Fortunately, I was able to work with my favorite credit union to hammer out a rock solid financing plan.

Now I have an upgraded car, a low monthly payment, and an easy way to build my credit. And I never dreamed it would be so easy! The process was trouble-free and I couldn't believe how low the APR was! I was lucky to find a great deal on this used car, but I was even more fortunate to have my trustworthy credit union to help me finance it.

I am proud and thankful to be a member of Reliance FCU. Thank You Reliance! **—Craig R**
